

**Include:**

---

Extension 9 cm

**Highlights:**

---

Easy assembly - no drilling necessary

Optional extras: 9cm or 21cm extensions

Combinable with separately available Y spindles

**Productimages:**

---

With this metal extension of 9 cm, the hauck safety gate Open'n Stop and Wood Lock Safety Gate can be rebuilt into a stair gate in the twinkling of an eye. The extension is simply attached to the safety gate by the practical connector.

Both safety gates can be combined individually with extensions of 9 cm and 21 cm.

From this result the following options:

84 - 89 cm = safety gate + 9 cm extension

93 - 98 cm = safety gate + 2 x 9 cm extension

96 - 101 cm = safety gate + 21 cm extension

105 - 110 cm = safety gate + 9 cm extension + 21 cm extension

117 - 122 cm = safety gate + 2 x 21 cm extension

Do you have a stair railing with round or oval bars up to a diameter of 10 cm? Then you can also attach the safety gate Open'n Stop and Wood Lock Safety Gate next to the extensions of 9 and 21 cm with the separately available Y-spindles.

## Colorvariants

596937 White 9cm

## Equipment characteristics

Pressure Fit

Easy to clean

## Measurements and weights

Measurements built-up (max.)

76 x 9 x 2 cm

## Sending information

Weight total single item (without box)

0,55 kg

Weight total single item (incl. box)
