Productimages:

This two-part "Highchair Pad Deluxe" can be used as a soft cushion or as seat insert being the perfect complement to our wooden high chairs Alpha+ and Beta+, or similar high chair constructions.

Both the seat and backrest pads are made of high-quality padding offering the best comfort possible. They fit exactly on our two wooden high chairs by fixing them with the velcro fastening and can be removed as easy in order to wash them.

This high chair pad is available in various design. With cute applications, cute strips, plain or with breathable and humidity-regulating fabrics (stretch grey + stretch beige).
