

Highlights:

- Soft belt padding 28 x 10 cm
- Ideal for Group II / III car seats
- Supports the head during sleep
- Protects against abrasions caused by the belt
- Universal use - also for adults
- Removable filling

Productimages:

This super soft micro-fleece cushion can be attached easily and securely to any safety belt by means of Velcro. Therefore, the little ones will not tilt forward while they are sleeping. This cushion allows a comfortable and relaxed position for the head and can be removed for washing. The Cushion Me can also be used for adults. Machine-washable and suitable for dryer use.
