Compatible with Comfort Fix Isofix Base  
Infant carrier ECE group 0+ (to 13 kg body weight)

## **Productimages:**

---

Stiftung Warentest and ADAC have evaluated the hauck Comfort Fix infant car seat with the test result "GUT" (11/18 magazine).

The new Comfort Fix is the logical follow-up to our Zero Plus baby carrier range. It has been approved for babies from birth up to a weight of 13kg, in accordance with ECE 44/04. It features tried-and-tested, patented, energy-absorbing foam in the head and shoulder area that achieved optimum results in crash tests. High-quality, breathable, stretch materials have been used, so that your baby always feels comfortable in the car seat. Head protection and wedge-shaped cushion are optionally available.

The Comfort Fix can be made secure in a vehicle with almost every 3-point belt. As an alternative, use Comfort Fix in the car with Comfort Fix Isofix base, available separately.

## Equipment characteristics

	3-point safety harness	✓
	Side protection	✓
