

Highlights:

- Safety socket cover
- High-quality adhesive strips
- Easy attachment
- For a child-proof home

Productimages:

Plug socket cover for all households in UK. Child-proof your home with this plug socket cover.

Stick this socket cover into the socket using adhesive strips. No screwing required. If you want to plug in an appliance, simply screw in the plug. The cover springs back when you pull out the plug and safely closes the socket again. x 20 per pack.
