Highlights:

Soft und cuddly footmuff

Breathable and temperature regulating

Spacious inside dimensions - small pack size

High-class material and processing

Universal usage

Productimages:

This soft and cuddly, universal footmuff gives every buggy that certain something. From now on there is no such thing as bad weather, because Cosytoe offers your little one the best protection against wind and rain. Cosytoe attracts attention wherever it goes, with its luxurious quilting and cute dots.

For big kids, too. Cosytoe takes care of your child's comfort, because this footmuff has particularly large inner dimensions to guarantee maximum freedom of movement. Extra attention has been paid to making the foot area, to give the Cosytoe stability and little legs lots of room.

Breathable, snuggly fabrics. The Cosytoe has a soft, smooth, cuddly mesh fabric inside, for your child's comfort. The material is moisture-regulating and breathable and keeps the temperature perfectly comfortable. The sturdy zipper along the entire length of the footmuff opens fully. This enables you to comfortably place your child in the footmuff.

Cheerful dots. Fold down the front of the footmuff and secure it onto the toggles with the elastic bands at the sides. The cheerful dot design guarantees that you will be seen for miles around.

Safe. Cosytoe has practical belt slots that allow it to be attached to almost every buggy.
