The compact 3in1 stroller set for modern parents

Productimages:

The hauck Comfort Fix infant car seat, which is included in this trio, has received very good testing results by leading testing institutes.

The perfect companion. The Toronto 4 Trio Set promises you some wonderful moments with your whole family. With its lightness and appearance, this stroller set is guaranteed to draw admiring glances. It folds up compactly with just one hand, making it the perfect companion from birth, both for day-to-day life and for travel.

The Toronto 4 Trio Set is a perfect, extra-light comfort bundle, with carrycot, Isofix-compatible car seat and sports buggy, for enjoying every trip with your family. With its modern optics this stroller really catches the eye. It is all topped off with the practical, one-handed folding mechanism that shrinks the Toronto 4 down into a compact and easily carried format. Once folded down, the stroller is easy to transport or store in the smallest trunk. The swiveling and lockable front wheels make the Toronto 4 an easily maneuverable companion. The height of the soft handle can be adjusted to make pushing especially comfortable for mom and dad.

Combine the carrycot with the chassis to create a cozy place for your newborn to sleep. The Isofix-compatible car seat is also suitable for use straight after birth. With patented side-impact protection, it is guaranteed to help keep your little one safe on car journeys. It attaches both with the 3-point vehicle belt and with the SEPARATELY AVAILABLE Isofix Base. With breathable materials, padded headrest and individually usable, wedge-shaped seat cushion for the ultimate in comfort. Attach the car seat to the chassis to make a light and maneuverable Shop'n Drive solution for browsing even the most bijoux shops.

Your little one will feel comfortable from birth in this attractive stroller. The softly padded comfort seat, with lying position option and adjustable footrest, also encourages naps on the move. The large canopy can be extended with the zipper and pulled far forward to keep your little dreamer from being disturbed. The exposed netting provides optimum air circulation in an instant. The canopy also has a pocket for little things and a window, so you can see your child. There is enough room in the large basket under the seat for shopping or baby essentials. The padded, 5-point belt and front bar keep your child safe at all times. The parking brake reliably secures the stroller, while you take a break.

Our tip! Our matching Isofix Base is available to go with the Toronto 4 Trio Set. Toronto 4 Trio Set is also available as the Toronto 4 individual stroller.

NEW! You can now use the Toronto 4 for even longer, because the buggy carries up to 25kg. This means we are voluntarily satisfying requirements over and above legal standards.
