With the Montreal Plus Trio Set, you have signed up for our complete pamper package. An soft, relaxing seat, comfort tires for an indescribable ride feeling and, of course, something for the eye. With the trendy design you are guaranteed to stand out.

We have thought of everything with this stroller set. Carrycot, Isofix-compatible car seat and convertible sports seat, incl. leg cover, can be used flexibly from birth and complement each other perfectly. Mom and dad will be glad that the attachments are easy to fix onto the ultra-light, aluminum chassis. This is very pleasant to ride with its pannel-proof comfort wheels and thanks to the swivel and lockable front wheels is particularly maneuverable. You are also flexible with the push handle height. This can be adapted to the respective body size. The drink holder is also within easy reach.

Comfort for everyone. Your little one will feel comfortable from birth on, in this attractive CARRYCOT. Your newborn will travel safely in the car seat on car journeys. With its patented side-impact protection, it keeps your child as safe as possible from the very beginning. Breathable materials, headrest and seat cushion make the car seat particularly comfortable. The car seat attaches both with the 3-point vehicle belt and with the SEPARATELY AVAILABLE Isofix Base. Calling all shopping queens! Combine the car seat with the chassis to make a light and maneuverable shopping companion for looking around even the most bijou shops.

Cuddle in and enjoy the ride. The soft, comfortable seat encourages your child to relax, because the backrest can be adjusted into a lying position and the footrest is multi-adjustable. The seat converts easily so you can also be flexible with the direction of travel. Sun, wind and rain have no chance when the canopy is pulled far forward to protect your budding explorer, just like the leg cover. 5-point belt and front bar for your little one's safety. Store shopping and baby essentials in the large basket under the seat.

Einfach einsteigen und losfahren. Der weiche Komfortsitz lädt zum Relaxen ein, denn die Rückenlehne lässt sich bis in Liegeposition und die Fußstütze ebenfalls mehrfach verstellen. Auch bei der Wahl der Blickrichtung sind Sie flexibel, denn der Sitz lässt sich einfach umsetzen. Sonne, Wind und Regen haben hier keine Chance, denn das Verdeck wird weit nach vorne gezogen und schützt Ihren kleinen Entdecker genau so, wie die Beindecke. Für die Sicherheit sorgen der 5-Punkt-Gurt und der Vorderbügel. Einkäufe und Babysachen finden im großen Korb unterhalb der Sitzfläche Platz.

Our easiest yet. Montreal, including sports seat, can be folded up to such small dimensions that it fits into almost every trunk.

Our tip! Buy the hauck Comfort Fix Isofix Base to go with the buggy set, at the same time.
