This stylish bed is a view for every room. Small folded, it is the perfect companion for traveling or visiting the grandparents. With its sweet dot design, the Sleep'n Play guarantees a lasting impression.

It is at home anywhere. Your child will feel as comfortable anywhere in this little bed, as they do at home, because, with Play'n Relax, their familiar environment goes with them. The bed is easy to put up or fold down and to transport in the practical bag. This makes the Sleep'n Play the ideal companion for travel, visiting grandparents or simply an attractive alternative for home.

Perfect for sleep and play. Sleep'n Play can be used anywhere. As a mobile playpen, it's an attractive retreat where your child can safely play or just lay down and relax.

Wherever you need it to be. The bed can push it wherever you are. Your little one can enjoy being near you and you can keep an eye on him or her at all times, through the large side windows. When night time comes, simply push the Sleep'n Play next to your bed and use it as a practical sleeping place for your baby or toddler.

Includes bag for carrying and folding base. We recommend the comfortable spare Sleeper mattress and matching Bed Me fitted sheet in size 120 x 60cm as optional extras.
