

Highlights:

Mirror for backseat

For all infant carriers and reboard car seats

Large view field

Easy installation and fixation

Attachment to all head-rests

Productimages:

Thanks to this mirror for the headrest of the back seat of your vehicle, you can always have an eye on your child in its baby carrier or reboard seat.

The mirror can be mounted safely and tightly to any headrest with 4 straps and adjusted both horizontally and vertically just as you prefer. The large sight field ensures a free line of sight and the high-quality and break-proof material reduces the risk of injury.
