Productimages:

Orlando is the perfect companion for shopping and travel. It can be unlocked and folded down quickly and compactly with just one hand, leaving the other hand free for your child. It skilfully manages buses, trains and stairs. Its folded dimensions are so compact that the Orlando can easily be stored in any trunk.

This light and agile buggy winds its way easily through busy pedestrianised areas thanks to its swivelling and lockable front wheels. Keep bottles, refreshments and bits and pieces on the two drinks/accessories shelves. Store your shopping or baby accessories in the large basket.

If exploring tires out your little one, adjust the backrest into a lying position, step by step, with just one hand. The footrest is also multi-adjustable. Keep a constant eye on your child through the ventilated viewing window in the canopy. Small items can be stored in the pocket on the canopy.

Your little one will always be safe on the move thanks to the padded, 5-point belt. The parking brake reliably prevents the buggy from moving while you take a break.

NEW! You can now use the Orlando for even longer, because the buggy carries up to 25kg. This means we are voluntarily satisfying requirements over and above legal standards.
